Real Life/VIRTUAL LIFE

Real Life/VIRTUAL LIFE

The Talley gallery is pleased to present the works of ceramic artist Megumi Naitoh. Her interest in the narrative depiction of daily life by Roman mosaics inspired a collection of works that depict our two worlds, our real lives and the lives we create on the internet. Her mosaics are made in a unique way that present two images integrated into one piece, reflecting both worlds at the same time. The Show runs:

January 11 - February 15, 2012

Opening Reception:

Wednesday, January 11th, 12 noon - 3pm

The gallery is located in the Education/Art Building, Room 212.
